Preface

“The Church was founded to spread the kingdom of Christ over all the earth for the glory of God the Father, to make all people partakers in redemption and salvation. The laity participate in the church’s mission by living faith and being educated in the faith.”

Vatican II, Apostolicam Actuositatem.

“Adult catechesis must systematically propose the Christian faith in its entirety and in its authenticity, in accordance with the Church’s understanding. Adults must assume responsibility for the Church’s mission and to be able to give Christian witness in society.” *GDC, 175, 1997.* “By systematic we mean a catechesis that nurtures a profound, lifelong conversion of the whole person and sets forth a comprehensive, contemporary synthesis of the faith as presented in the *Catechism of the Catholic Church.*” *Our Hearts Were Burning Within Us, 1999*

In an effort to respond to the call of the Spirit in Sacred Scripture and the Church through these documents the Office of Religious Education is committed to providing educational opportunities for growing in the Catholic faith for all adults in the Diocese of Tyler. This handbook will provide an explanation of programming currently available and recommended resources to further individual faith development.

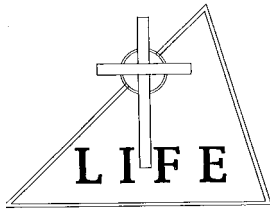

The Lifelong Individual Faith Enrichment (LIFE) Program is a systematic study of courses offered in theology and scripture presented in four levels. The goal of the LIFE program is to give adults a solid foundation upon which they can independently continue the growth in their faith for the rest of their lives. All formation efforts should be focused on the curriculum path of the LIFE program. (See pages 4-5)

The *Catechist Endorsement* process for ministry explained in this handbook also provides an opportunity to share with others the growth in theology and scripture. The Catechist is given tools to faithfully echo, on behalf of their parish community, the faith which they have received. (See pages 6-11)

The Professional Ministry Program (PMP) is a series of college level theology, scripture, and catechetical courses taught in a semester format for those interested in a more challenging study of faith and doctrine.

Finally, audio - visual resources are available at the Office of Religious Education in the resource library for independent study as well as information regarding distance learning both on the internet and through college partnerships.

Additional information is available on the diocesan website. www.dioceseoftyler.org

Lifelong Individual Faith Enrichment (LIFE)

The Lifelong Individual Faith Enrichment (LIFE) Program is a systematic study of courses offered in theology and scripture presented in four levels. A certificate is awarded upon the completion of each level. In addition to particular courses offered by the diocese, parish classes may be offered that meet similar syllabus requirements. See “Areas of Study - Theology and Scripture” for other possible topics. (See page 5)

1. Foundation LIFE Level: 12 credit hours (general overview of basic Catholic doctrine)
Courses such as: "**Basic Elements of the Christian Message Course.**" This course includes 2-hour sessions on the following topics: Revelation, Trinity, Church, Sacraments, Mary/Saints, and Grace/Moral Life. This series is designed for adults just beginning to learn about their faith. This course is also fruitful for adults beginning the mystagogia period following Christian Initiation.
2. Basic LIFE Level: 30 credit hours (15 Theology/15 Scripture)
Courses in **Scripture, Church, and Sacraments** are designed to provide a deeper understanding of doctrine. At this level, the class syllabus includes introduction to reading and comprehending church documents (e.g. Vatican II, Catechism of Catholic Church, and Scripture), scripture exegesis, and systematic presentation of the faith. The sessions at this level typically require some outside reading.
3. Intermediate LIFE Level: 30 credit hours (15 Theology/15 Scripture)
Diocesan Courses such as: **Christology, Mary in the New Testament, Morality and the Formation of Conscience, Prayer, the Spiritual Life and the Relationship to Eucharist.** The syllabus includes exposure to papal writings or church documents. Courses at this level require some independent reading and either oral presentations or short written reflection papers.
4. Advanced LIFE Level: 40 hours of adult study of Catholic doctrine. Classes should enable the participant to continue progression of growth in one's personal adult faith enrichment at this level through exposure to secondary sources or in depth reading of papal documents. Some advanced theology classes have been videotaped with handouts, and homework.

RE: "Into the Fields" - New Resource for Catechetics

Dear FFL,

A new resource for catechetical formation with your parish catechists is available. It is a resource entitled: "Into the Fields" - catechist and teacher formation for the whole community.

There are 30 lessons compiled over a three year period with 10 lessons in each book. The format for each lesson includes:

Spiritual Exercise
Growing Faith
Tools for Teaching

I. The *Spiritual Exercise* contains music, prayer reflections, readings, and personal writing. It takes about **1 hour**.

II. The *Growing Faith* section takes about **30 minutes** and utilizes lessons from the Growing Faith Project. (This resource is available from Harcourt Religion Publications. It is also available for review in our library).

III. The *Tools for Teaching* section takes about **90 minutes** and some reading, writing, and group participation is required.

The lessons are designed for both group and individual work on their. The ideal group is for about 12. For more than that you may want to schedule multiple sessions. This is to be facilitated by the FFL in the parish.

This is a wonderful way for your catechists to do some formation with one another and to have something to take home to keep for future reference. The lessons move from very basic to more advanced in content and subject.

These lessons may be done sequentially or separately. I will provide C2 or C3 credit for any lessons completed. The time allotment and requirements must be adhered to in order to receive credit. The individual may receive **3 credit hours** upon satisfactorily completing one topic. There are 10 topics per year and three years for a total of 30 topics.

The individual must purchase their own book for \$25.00. There are three booklets, one for each year. The facilitator guide is \$60 and you will need to purchase that also. We have copies of all texts in the library for your review.

The following sheet must be completed and signed by the Faith Formation Leader who facilitates the sessions. This will serve as the Assessment Documentation for this resource. Twenty-Third Publications produces this resource. Their number is 800-321-0411 or 860-437-3012. Their website is www.23rdpublications.com If you have any questions let me know.

Audio / Visual Format

The Office of Faith Formation maintains an audio-visual center and a curriculum library. Persons who are working toward LIFE certification/catechist endorsement can find many resources in this area which would help them in their courses of study. A borrowing system is used for audio-visual materials. Resources are listed on the diocesan website. Catalogues are also available for selecting resources which may not be accessible in our center.

Professionally produced video cassettes are also available for adult study groups. Participants are encouraged to approach video learning as part of a group. The group offers each individual an opportunity for input and discussion.

1. Copyright laws do not allow you to make copies of the tapes unless produced by the Office of Religious Education.
2. One person should serve as the facilitator for the group. Facilitator would serve as the liaison between the group and the Office of Religious Education.
3. Use of the tapes is free of charge. Damage or loss of tapes would require replacement by the group.
4. The facilitator should preview the tapes to be used and be able to present a brief overview of the tape.
5. Tapes should be returned as soon as possible upon the completion of the meeting. Check out is generally for one month with a one time renewal.

Suggested Program Format for Using Video Cassettes

- I. Prayer: Plan a prayer service that would address the theme.**
- II. Brief Overview by Facilitator: This is a time to set the tone for the meeting.**
- III. Video Presentation**
- IV. Reflection**
- V. Discussion**
- VI. Closing Prayer**

Re: Format for Instructors

Dear LIFE instructor,

Many faith formation sessions are being offered in the diocese by parish catechists. Additionally, some of the those are LIFE courses. If you are a LIFE instructor and offering a session in your parish or another parish for the Basic, Intermediate, or Advanced LIFE levels, you need to submit an Instructor Format prior to advertising the course.

Enclosed with this memo is a sample form for Basic LIFE Sacraments, Church, or Scripture courses. Also is a format for offering an Intermediate or Advanced LIFE course. It is important when offering these courses that the instructor is adhering to the objectives, goals, and requirements for scheduling sessions and assignments outside of class.

A sample form is included with diocesan LIFE courses we have offered in the past for the Intermediate Theology and Scripture Courses for your convenience so you can see how to fill out the form from your parish or to give you some ideas for offering these courses at your parish:

IT - 15 hours "Mary in the New Testament"

IT - 15 hours "Christology"

IS - 15 hours "Prayer, The Spiritual Life and the Relationship to Eucharist"

It is also important when an instructor plans to offer sessions in formation in the diocese that he/she be a validly endorsed catechist within our Endorsement Program.

If you have any questions please let me know.

Thank you.

Appendix 5 - Guidelines for Vacation Bible School Personnel

Whether a person is a volunteer, a catechist, or a paid professional, any person working with children under the age of 18 in a formal parish program should follow guidelines for catechists who are working toward endorsement.

Vacation Bible School (VBS) is understood to be any program offered outside the regular school year. It is often not part of the regular Religious Education classes offered in the parish. It is understandable that many of the individuals involved in such a program may be parents who help out only in the VBS, however, since it is a parish sponsored program, the parish is ultimately responsible for the individuals behavior to whom these children are entrusted. The parish and the parents also need to know that our faith is well presented in the VBS program. It is with these concerns in mind that the following guidelines are recommended for vacation bible school personnel.

1. There should be at least two adults present in the room during every session for children under the age of 18.
2. All personnel working with children under Age 18 should have attended a session on Legal Issues Training sponsored by the Diocese of Tyler and fulfill the requirement connected with legal issues in the Beginning Endorsement section of this manual.
3. It is recommended that all VBS personnel view the Echoes of Faith series for “Getting Started as a Catechist” the “Role of the Catechist” and the “Person of the Catechist.” These tapes offer the individual ideas and suggestions for a leader of faith with children and would be most helpful.
4. If the individual is an active endorsed catechist he/she may have responsibility for a session of children unsupervised.
5. If the individual is not endorsed he/she must be supervised by an endorsed catechist or the DRE or the CRE in the parish.
6. The DRE/CRE should sign a statement qualifying VBS personnel if they are not endorsed catechists and send it to the Diocese of Tyler Office of Religious Education.
7. Materials and resources are available in the Diocesan Resource Library. It is vital that materials used for VBS be approved by the DRE/CRE or pastor before using in a parish program. There are many non Catholic materials available that are helpful, while some others are contrary to the teachings of the Catholic Church.

Appendix 6 - to *Handbook for Adult Faith Formation and Ministry Endorsement*

Equivalency Placement for LIFE Certification or Catechist Endorsement Effective February 1, 2009 Office of Faith Formation

Some individuals seek LIFE (Lifelong Individual Faith Enrichment) Certificates to recognize their previous formation in theology and scripture.

In addition to this systematic intellectual faith formation, competence in methodology is necessary for Catechist Endorsement Program required for handing on the faith for those who wish to participate in the catechetical apostolate in their parish or mission.

These two programs have been in place in the diocese since 1994. As of August, 2002 if a person wished to serve in the catechetical apostolate in their parish he/she is required to achieve the Catechist Endorsement.

We recognize that individuals often have formation, separate from our diocesan requirements, which has been done either in another diocese, within a parish, on even personal formation on their own. The following approach can be utilized if an individual feels they would qualify for an “equivalency placement” for some of these requirements in either the LIFE or the Catechist Endorsement Program. The individual should review the process listed below and contact the director of the Office of Faith Formation.

1. To assess the systematic faith formation: A Religion Literacy Assessment of 100 multiple choice questions may be taken which will give an indication of the level of doctrinal competency the individual has achieved. Based on the performance the Director of the Office of Faith Formation may award Foundation LIFE, Basic LIFE, Intermediate LIFE, and/or Advanced LIFE may be credited.
2. To assess the equivalence for catechetical methodology: Provided that the Religion Literacy Assessment proves adequate for LIFE equivalence, if the individual has also been a catechist in a formal parish program for a substantial period of time, the individual can provide the following as a means of petition to have the following accepted by equivalence for The Methods and Learner Echoes could be omitted. (6 hours) and The C2 and C3 Catechetical hours could be omitted. (27 hours):
 1. The individual would have to submit Teaching Experience which is asked for annually. The number of hours would be contact hours in teaching religion either to children or adults. This should be at least 20 hours per year. You should indicate the level, topic if it is adult sessions, and location.
 2. Provide a written recommendation of someone who supervised the individual's catechetical work.
3. Every individual who is seeking endorsement will be required to complete the following as they are critical to the approach for the catechetical apostolate in the Diocese of Tyler

Revised June, 2009

1. Echoes Getting Started as a Catechist would be required. (2 hours)
 2. Echoes The Role of the Catechist would be required. (2 hours)
 3. Echoes The Person of the Catechist would be required. (2 hours)
 4. Curriculum Guide Formation which includes catechesis on the 15 Goals would be required since it is specific to our diocese. (3 hours)
 5. The C4 requirements of 20 hours for catechetics would still be required since it focuses on adult catechetical techniques, the processes and new evangelization for the diocese, and a practicum for catechizing.
4. The individual would have to submit at least four Personal Faith Enrichment Experiences to validate one for each level of Catechist Endorsement sought and continue to submit one for every year he/she is catechizing.
5. Once the endorsement level is achieved, the individual has three years to move to the next level with competency. Once the Advanced Catechist Endorsement is achieved, a maintenance of 15 hours every three years will keep the endorsement current.
6. A valid ACS (Acceptance Certificate for Service) is required for every catechist to satisfy the Ethics and Integrity Policy for the Diocese of Tyler.

If you are interested in submitting an application for this Equivalency Placement contact the Office of Faith Formation at lporter@dioceseoftyler.org or 903-534-1077 Ext. 146 for more information.

Sincerely,

Linda Khirallah Porter, MTS
