

Memo

To: Pastors, Priests-In-Charge, and Administrators of Parishes and Missions in the Diocese of Tyler / Deacons / Faith Formation Leaders

From: Linda Khirallah Porter, MTS

Subject: Speakers' Bureau

Date: June, 2016

The *Speaker Bureau* is a list of people who can come to your parish or deanery to provide workshops, training, formation on various topics. These people have agreed to have their names listed for service in your communities. We ask that if you request them to do ministry in your parish you offer them a stipend for their presentation and mileage reimbursement if they live outside of your home parish city.

If you would like to suggest someone to be added to this list you may let me know or contact them directly and have them notify me.

Thank you and God bless you as we continue to work to form disciples for Jesus Christ in the Diocese of Tyler.
