

Prayer in the Words of Angela Merici

The prayers that follow are quotes from the writings of Angela Merici, founder of the Ursuline Sisters. Although she wrote these words in the 16th century, they still serve as inspiration for our prayers today. Unite yourself with the spirit of Angela Merici, trusting that you have in her an intercessor for all of your concerns.

“May the strength and support of the Holy Spirit be with all of you, that you may persevere steadfastly and faithfully in the work you have undertaken.”

“Have confidence and strong faith that God will assist you in everything.”

“You must be convinced that God will never fail to provide for all your needs.”

“Have a firm and unshakeable determination to submit yourselves to God’s will.”

Let us pray. . .

Gracious God, following the example of Angela Merici, we ask that you enlighten, direct, and teach us what we must do for love of you and for your people. Bless us as we walk ahead for whatever you call us this day and everyday. Amen.
